Lakeland Stealth Turnout Coat

Stealth Turnout Coat

Elevate your firefighting gear with the Stealth Turnout Coat - the epitome of performance and safety, featuring Lakeland's LazerMax reflective trim and an "easy-grip" Drag Rescue Device.

Product Details:

- **Style Number:** ST3220G

- **Unparalleled Safety and Functionality:** This Turnout Coat is meticulously designed to provide maximum protection and functionality for firefighters. With features like a beveled hem, ergonomic pleated back/shoulders, and a "Drag Rescue Device," you're equipped to handle the most demanding situations.

- **Reflective Excellence:** NYC Style Lime/Yellow Scotchlite® Triple Trim not only enhances visibility but is also double-stitched for durability.

- **Advanced Design for Comfort:** The ergonomically pleated back and shoulders ensure a wide range of motion, making it easier to respond effectively in emergencies.

- **Innovative Features:** With an "Easy Grip" Drag Rescue Device, an internal outer shell drawcord to reduce bulk, and numerous pockets (including a Napoleon pocket under the storm flap and expansion pockets with hand-warmers), this turnout coat has everything you need at your fingertips.

- **Built to Last:** The Black Arashield® coat cuff reinforcements and 7" Black Thumbhole Wristers made with Kevlar® provide extra durability in high-stress areas.

- **Custom Fit:** Each coat is custom ordered, sized to perfection for the wearer's comfort and functionality.

- **Two-Tone Option:** For additional style and functionality, consider the Two-Tone Stealth™ option, featuring a black bottom sleeve panel and black lower leg panel, separated by LazerMax™ Trim.

Available Colors:

- Stealth™ (as described)
- Two-Tone Stealth™
