

SeaEco+ Immersion Suit

Elevate your safety at sea with the SeaEco+ Immersion Suit - a significant evolution of our renowned SeaEco suit. The SeaEco+ stands out with its certification for use without a lifejacket, making it an essential choice for the merchant fleet and beyond.

Key Features:

- **Built-In Buoyancy:** The buoyancy pillow at the back ensures the correct floating position and provides adequate freeboard for added safety.
- **Durability and Flame-Resistance:** Crafted from flame-retardant 5 mm neoprene with a knitted polyester backing, this suit is designed for enhanced durability and protection.
- **Emergency Preparedness:** Equipped with an emergency light, buddy line, floating hook, and a lifting strap with a stainless steel D-ring and carabiner hook.
- **Easy Closure:** The waterproof main zip in PU/Plastic ensures a

secure and hassle-free closure.

- **Reflective Safety:** Approved reflective patches enhance visibility and safety in low-light conditions.
- **Integrated Hood:** The integrated hood with an extra closure provides added protection from the elements.
- **Watertight Cuffs:** Watertight cuffs deliver an additional layer of protection against water ingress.
- **Detachable Gloves:** The gloves are easily attached by elastic bands and conveniently stored under a flap on the sleeves.
- **Secure Fit:** Velcro tighteners in the legs ensure a secure and comfortable fit.
- **Optimal Grip:** Rubber soles provide optimal grip on slippery surfaces, ensuring surefootedness even in challenging conditions.
- **Compliance and Certification:** This suit complies with SOLAS standards and adheres to LSA code MED 1.6b as an insulated immersion suit designed for wear without a life-jacket. It is accepted as an immersion suit by Transport Canada and the Russian Maritime Register of Shipping (RMRS).
- **Vacuum Packing:** The SeaEco+ can be vacuum-packed, extending its mandatory service interval to a maximum of 5 years, offering excellent value.

Elevate your maritime safety standards with the SeaEco+ Immersion Suit. Its advanced features and certifications make it an essential choice for those who prioritize safety and performance at sea.

Suit size	Weight	Dimensions packed in carrier bag	Colour of bag	Dimensions packed in vacuum	Service-interval packed in vacuum
