

FitzWright Keyhole TC/SOLAS Infant Lifejacket

Ensure the safety of your little ones on the water with the FitzWright Keyhole TC/SOLAS Infant Lifejacket - an inherently buoyant life-saving solution approved by Transport Canada and SOLAS. This lifejacket is thoughtfully designed for infants weighing less than 15kg.

Product Details:

- **Part Number:** FW-L0147P3
- **Description:** This lifejacket is tailor-made for the safety and comfort of infants weighing less than 15kg. It's a crucial accessory for ensuring their safety on the water.
- **Effortless Storage:** Featuring a basic block foam design, this lifejacket is not only effective in water but also incredibly easy to store. The familiar design ensures that anyone can use and store it without hassle.
- **Articulated Design:** The lifejacket is articulated to accommodate multiple folding and storage configurations. This unique design

also increases comfort around the neck during wear, ensuring that your infant can wear it for extended periods without discomfort.

Key Features:

- **Lifejacket Approval:** This lifejacket is approved for the safety of your infant, meeting the highest standards.
- **Web Securing Belt:** Equipped with a web securing belt to ensure a snug and secure fit for your little one.
- **Safety Whistle:** A whistle is included for emergency signaling and communication.
- **Lanyard Included:** For added convenience and safety, a lanyard is included with the lifejacket.
- **SOLAS Reflective Tape:** High-visibility SOLAS reflective tape enhances visibility in low-light conditions, ensuring your infant remains easily identifiable.
- **Quick Donning:** Designed for quick and hassle-free donning, ensuring you can be ready for action in no time.
- **Lifejacket Light Attachment:** This lifejacket features an attachment point for approved lifejacket lights, enhancing your infant's visibility in emergencies.
- **Unconscious Wearer Assistance:** The FitzWright Keyhole TC/SOLAS Infant Lifejacket is designed to aid unconscious wearers, increasing their survival chances in critical situations.
- **SOLAS/Transport Canada Approved:** This lifejacket complies

with the stringent safety standards set by both SOLAS and Transport Canada, giving you the confidence that your infant's safety is in good hands.

Choose the FitzWright Keyhole TC/SOLAS Infant Lifejacket for the peace of mind you need when your infant joins you on the water. It's an essential safety companion, designed for your infant's protection and comfort.
