

Buoyancy Aid - Rogue Vest

The FitzWright Rogue Buoyancy Aid floating work vest has been meticulously crafted to address the unique demands of fishermen. It boasts minimal bulk, exceptional flexibility, reduced snag risk, and provides crucial buoyancy for enhanced safety in the event of an overboard incident.

Key Features:

- Crafted from black neoprene to minimize visible markings.
- Equipped with two strips of SOLAS reflective tape for improved visibility when in the water.
- Includes an attachment loop for safety lights, enhancing visibility further.
- This vest serves as an excellent complement to a vessel's mandatory approved Life Saving Equipment.

Note: This product is not approved by Transport Canada. It is designed to be a buoyancy aid to supplement your compliance

requirements.
