

FitzWright Hi-Vis Mesh Deluxe Vest PFD

Product Overview: Elevate your safety near water with our Hi-Vis Mesh Deluxe Vest. This premium vest is designed to meet the stringent safety requirements of professionals working in aquaculture and construction near water. Certified by Transport Canada/CCG and compliant with ANSI Class II standards, this vest offers exceptional visibility, comfort, and functionality, making it the ideal choice for those who prioritize safety.

Key Features:

- **Approval:** This vest is approved by Transport Canada/CCG, ensuring compliance with rigorous safety standards.
- **ANSI Compliant - Class II:** Meets ANSI Class II standards for high-visibility safety apparel, enhancing your visibility in various environments.
- **Hi-Vis Yellow Fabric:** The vivid yellow fabric ensures you remain highly visible, even in low-light conditions, enhancing your safety.
- **Orange Reflective Tape:** Carefully placed orange reflective tape further improves visibility, particularly in challenging lighting

situations.

- **Back Opening for Fall Harness:** Designed with a back opening to accommodate most fall harnesses, ensuring compatibility with your safety gear.
- **Encircling Belts with Zipper Closure:** Equipped with encircling belts and a zipper closure for a secure and comfortable fit, allowing you to work with ease.
- **Contoured Foam:** The contoured foam design offers freedom of movement, ensuring you can work efficiently without restrictions.
- **Hidden Belts:** To minimize the risk of snags, this vest features hidden belts, providing safety without compromising your work.
- **Dual Cargo Pockets:** With dual cargo pockets, you have convenient storage space for essential tools and equipment, keeping them within easy reach.
- **Fleece-Lined Handwarmer Pockets:** Stay warm in colder conditions with fleece-lined handwarmer pockets.
- **Contrasting Stitching on Belts:** Contrasting stitching on the belts enhances visibility and simplifies vessel checks.
- **Minimum 15.5 lbs. of Buoyancy:** This vest provides a minimum of 15.5 lbs. of buoyancy, essential for flotation in emergencies.
- **U.S. Coast Guard Approved Type III:** This vest is U.S. Coast Guard approved as a Type III Life Jacket / Personal Flotation Device (PFD), ensuring its reliability and safety.

Ideal For: Aquaculture technicians, construction workers near water, and professionals working in water-related environments.
