

FitzWright Lifebuoy Cabinet

Keep your lifebuoy protected and easily identifiable with our Lifebuoy Cabinet. Designed for beaches, lakes, rivers, or jetties, this container ensures quick access and optimal safety.

Key Features:

- **Durable Construction:** Crafted from high-quality fiberglass, our container guarantees long-lasting durability, providing reliable protection for your lifebuoys.
- **Adaptable Sizing:** Accommodates 61/63 or 73/75 cm ring buoys, catering to a range of lifebuoy sizes commonly used in various settings.
- **Transparent square opening** allowing for easy visual checks to ensure the presence of the lifebuoy and line without the need to open the container.
- **Optimal Dimensions:** Compact yet spacious, the container

measures 31" x 31" x 7", providing ample space for the lifebuoy while maintaining a sleek profile.

Installation Options:

- **Wall Mounting:** Securely affix the container to walls for easy accessibility and prominent visibility.

Application:

Ideal for beaches, lakes, rivers, or jetties, our Lifebuoy Container ensures that lifebuoys are readily available and easily spotted in case of emergencies. The transparent square opening adds an extra layer of convenience, allowing for quick visual checks without compromising the lifebuoy's protection.
