

Lifebuoy Container

Keep your lifebuoys protected and easily identifiable with our Lifebuoy Container. Designed for beaches, lakes, rivers, or jetties, this container ensures quick access and optimal safety.

Key Features:

- **Durable Construction:** Crafted from high-quality polyethylene, our container guarantees long-lasting durability, providing reliable protection for your lifebuoys.
- **Versatile Mounting Options:** Whether you prefer wall, pole, or tube mounting, our container offers flexibility to suit your specific location and needs.
- **Adaptable Sizing:** Accommodates 61/63 or 73/75 cm ring buoys, catering to a range of lifebuoy sizes commonly used in various settings.
- **Transparent Round Opening:** The container features a

transparent round opening, allowing for easy visual checks to ensure the presence of the lifebuoy without the need to open the container.

- **Optimal Dimensions:** Compact yet spacious, the container measures 90 x 90 x 28 cm, providing ample space for the lifebuoy while maintaining a sleek profile.

Installation Options:

- **Wall Mounting:** Securely affix the container to walls for easy accessibility and prominent visibility.
- **Pole Mounting:** Opt for pole mounting to strategically place the container in outdoor areas, maximizing visibility along shorelines or designated water access points.
- **Tube Mounting:** Tube mounting offers another convenient option, allowing you to position the container in a variety of settings to meet specific safety requirements.

Application:

Ideal for beaches, lakes, rivers, or jetties, our Lifebuoy Container ensures that lifebuoys are readily available and easily spotted in case of emergencies. The transparent round opening adds an extra layer of convenience, allowing for quick visual checks without compromising the lifebuoy's protection.
