

Winslow 6psn Super-Light Offshore Plus

Winslow 6-Person Super-Light Offshore Plus Liferaft: Advanced Safety and Provisions

When it comes to offshore safety, the Winslow 6-Person Super-Light Offshore Plus Liferaft stands out with its comprehensive features and inclusive Basic Offshore Survival Equipment Package.

Standard Equipment Highlights:

- **Inflation System:** CO2/N2 Inflation System with Twin Oversized Buoyancy Tubes ensures swift and reliable deployment.
- **Canopy Options:** Three-position Heavy Duty Dual Color Canopy (Closed, Sail & Convertible) with a Cinch Strap for adaptable use.
- **Sure-Seal Closures:** Watertight security with #10 YKK Heavy Duty Zippering and Dual Main Zipper featuring Ventilation Tie Backs.
- **Structural Features:** Canopy incorporates an HD Tripod Arch Tube and I2DF Inflatable Insulated Double Floor for added stability and insulation.
- **Boarding and Viewing:** Facilitates easy entry and exit with the

Boarding Platform and Interior Assist Ladder featuring Quick-Release Fittings. Front and Rear Viewing Ports offer crucial visual awareness.

- **Handles and Stirrups:** Bowed Boarding Assist Handles, Front Boarding Stirrups, and Grasp Lines ensure secure and hassle-free boarding.
- **Observation Port Hole:** Combination Foul Weather Observation Port Hole & Water Collection System with Sure-Seal Closures.
- **Storage and Lights:** StoreSafe Dry Survival Gear Stow Pockets (5) for organized storage. Water-Activated Interior/Exterior Survivor Locator Lights and a Pelican® Magnum MityLite Flashlight on the Arch for enhanced visibility.
- **Safety Features:** Auto-Deploying Hemispherical Drogue (Sea-Anchor) for stability. Heaving Trailing Line, Painter Line with Quick-Release Fittings, and Righting Line for various safety needs.
- **Reflective Segments:** Unidirectional Retro/Radar Reflective Segment Across Arch and Retro Reflective Segments Under Life Raft & Canopy enhance visibility.
- **Lifelines and Valise:** 1” Exterior Lifelines & Interior Grasp Lines for added security. Urethane Valise with Ultima Wrap Vacuum Seal for extended protection.
