

Switlik X-Back MOLLE - Aviation Life Vest

Air Crew Life Vest

It's the most comfortable, and most versatile aviation life vest we've ever made. It's the vest that has room for everything you want to carry.

Product Features

- Signature SWITLIK X-Back ergonomic design for superior comfort in the seated position
- One-size-fits-all: Maximum adjustment capability to fit the largest range of sizes
- Dual opening zipper design
- Low profile design transfers the load away from your neck and eliminate interference with your helmet
- Twin chamber inflatable cell with two oral tubes
- Built in locator light & emergency whistle
- Storage pockets for excess webbing
- Breathable protective cover fabric for reduced thermal burden and increased durability
- Nomex®/Kevlar® Rip-stop cover material
- Reflective panels on inflatable cell
- Modular Lightweight Load-Carrying Equipment (MOLLE) system permits customization of vest with accessories (Sold Separately)
- Integrated grab handle allows wearers to be pulled to safety in a search and rescue scenario.
