

6psn Ultra-Light Offshore

Winslow 6-Person Ultra-Light Offshore Liferaft: Elevating Offshore Safety Standards

Embark on your maritime adventures with confidence, supported by the Winslow 6-Person Ultra-Light Offshore liferaft. Meticulously crafted with advanced features and a comprehensive Survival Equipment Package, this life raft ensures uncompromised safety for you and your crew.

Standard Equipment Highlights:

- **Buoyancy and Inflation:** Twin Buoyancy Tubes with a CO2/N2 Inflation System for rapid and reliable deployment.
- **Canopy Options:** Three-position Rip-Stop Nylon Canopy (Closed, Sail & Convertible) with a Cinch Strap for versatile usage.
- **Sure-Seal Closures:** Watertight security ensured with #10 YKK Heavy Duty Zippering and Dual Main Zipper.
- **Structural Features:** Canopy features an HD Tripod Arch Tube, I2DF Inflatable Insulated Double Floor, and a Pentagonal Ballast System for stability.

- **Boarding and Viewing:** Oversized Front Boarding Entry with a 4 Rung Boarding Ladder, Interior Assist Ladder with Quick-Release Fittings, and a Bowed Boarding Assist Handle for convenient and secure boarding. Foul Weather Observation Port Hole & Water Collection System with Sure-Seal Closures for enhanced situational awareness.
- **Handles and Reflective Segments:** Bowed Boarding Assist Handle, Heavy Duty EZGrip Righting Line with Contrasting Bowed Hand Grips, and Unidirectional Retro/Radar Reflective Segments for visibility.
- **Auto-Deploying Drogue and Heaving Trailing Line:** Auto-Deploying Hemispherical Drogue (Sea-Anchor) with a 100' Line & Dual Anti-Foul Swivels, along with a 100' Floating Heaving Trailing Line for additional safety measures.
- **Lifelines and Valise:** 1" Exterior Lifelines & Interior Grasp Lines provide added security. Urethane Valise with Ultima Wrap Vacuum Seal ensures long-term protection.
